

**AALBORG
CURLING KLUB**

INVITATION - 8-10 may 2026

Aalborg Skins 2026

Aalborg Curling Klub is pleased to invite all curlers to a fun and social bonspiel in the competitive Skins format!

The tournament is open to all team constellations. All games will be played over 6 ends. Every team is guaranteed 4 games; the top 10 teams will play an extra final round with double skins.

Price per team: 2300 DKK, including dinner at the party on Saturday

Value of one skin: 30 DKK

Sign up and more details at: aalborgcurlingklub.dk/skins.

About the "Skins" format

In the Skins format, teams compete for "skins" assigned to each end, rather than counting total stones. All skins earned during a game are kept, and can be exchanged for their cash value at the end of the tournament. The team that has accumulated the most skins after all rounds wins the tournament.

All skins assigned to the current end are won when:

- The team with the hammer scores 2 stones or more in the end
- The team without the hammer steals 1 or more stones

If no team wins an end, the hammer changes hands and the skins roll over to the next end. If the final end is not decided, a draw-to-the-button challenge determines the winner.

About Aalborg Curling Klub

Our club trains weekly on hockey ice in Gigantium, and members regularly compete in bonspiels across Denmark and abroad. It's been a few years since we last hosted a bonspiel, but we're ready to bring it back – and intend to make this an annual event!

We will have exclusive use of the rink during the week leading up to the tournament and will build fresh ice to deliver optimal playing conditions.
